by adding the following new sections immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION \_\_\_\_\_. Tennessee Code Annotated, Section 43-8-313, is amended by designating the existing language as subsection (a) and by adding the following language as a new subsection (b):

(b) The department through rule promulgated in accordance with the uniform administration procedures act, title 4, chapter 5, shall require all aircraft of aerial applicators holding a current license under this chapter involving the aerial application of pesticides, herbicides and chemicals by January 1, 2007, to have GPS capability and technology that would record the path of the aircraft and the points where the pesticides, herbicides or chemicals were discharged. Such records must be maintained by the aerial applicator for not less than five (5) years after the date of the application.

SECTION \_\_\_\_\_. Tennessee Code Annotated, Section 43-8-304(b), is amended by deleting the language "An acceptable liability insurance policy in the amount of one hundred thousand dollars (\$100,000) shall be in effect" and by substituting instead the language "An acceptable liability insurance policy in a minimum amount of one hundred thousand dollars (\$100,000) shall be in effect".
